

YEARLY STATUS REPORT - 2021-2022

Part A

Data of the Institution

1.Name of the Institution

SHREE SHIVAJI EDUCATION SOCIETY'S
MAHASATEE ARTS, COMMERCE AND
SCIENCE COLLEGE ULGA, KARWAR

- Name of the Head of the institution **Dr. V. V. Nayak**
- Designation **Principal**
- Does the institution function from its own campus? **Yes**

- Phone no./Alternate phone no. **9483645037**
- Mobile No: **7975117573**
- Registered e-mail **sesmahasateek@gmail.com**
- Alternate e-mail **nyk_vnd7@yahoo.co.in**
- Address **Ulga, Karwar**
- City/Town **KARWAR**
- State/UT **KARNATAKA**
- Pin Code **581328**

2.Institutional status

- Affiliated / Constitution Colleges **Affiliated**
- Type of Institution **Co-education**

- Location **Rural**

- Financial Status **Grants-in aid**
- Name of the Affiliating University **KARNATAKA UNIVERSITY DHARWAD**
- Name of the IQAC Coordinator **Prof.C.S.Naik**
- Phone No. **9448679050**
- Alternate phone No. **8277275217**
- Mobile **9448679050**
- IQAC e-mail address **iqacmacsulga@gmail.com**
- Alternate e-mail address **nyk_vnd7@yahoo.co.in**

3.Website address (Web link of the AQAR (Previous Academic Year)) <http://www..sesmacsuk.co.in/AQAR2020-21.pdf>

4.Whether Academic Calendar prepared during the year? **Yes**

- if yes, whether it is uploaded in the Institutional website Web link: <http://www.sesmacsuk.co.in/iqac22/Plan20of20Action.pdf>

5.Accreditation Details

2021-22	14/01/2023
15.Multidisciplinary / interdisciplinary	
During the current year, our University has	

introduced NEP pattern of course curriculum and accordingly, students have are confined to choose a compulsory 2 subject under DSC [Discipline Specific Coure], OEC [Open Elexctive Course] Zoology for Science Students, Sociology for Arts Students and Economics for Commerce student. Skill Enhancement Course students have to study Artificial Intelligency. In addition to these, students need to study Value based education i.e., Health and Welness, NSS, Yoga.

16.Academic bank of credits (ABC):

Under the pattern of NEP course curriculum, 60 marks is meant for external and whereas 40 is for internal. The overall 40 marks comprises the parameter like; Internal Test 20 Mks, Seminar 10 Mks and Assignment 10. However, during the academic year, only I&II semester students fall under NEP pattern of course curriculum. College has organized orientation programme for staff and students so as to enlighten them about the new concept of NEP and also Academic bank of credits.

17.Skill development:

Referring to the course curriculum, some of the subjects specifically highlights course enrichment activities to be carried out by respective department and accordingly, the Department of Commerce has invited academicians to deliver special lecture on course curriculum and also create enthusiasm among commerce students to inculcate more interest on subject. Students also explored about Share Market, enlighten them about the trading, opening up of

DEMAT account, etc., and also students are encouraged to learn communication skills.

The respective faculty members belonging to Arts fraternity, the Department of Sociology specifically guided students on research methodology in understanding procedurea to be adopted for collection of data on primary and secondary data.

Science students are given optimum scope to experiment at the science laboratory based on course curriculum.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

Students who are in dire need of english communication skills, the Department of English has trained students and given sufficient assignment to gain english communication skills. Various programs are arranged through respecive committee to inculcate the Indian trade, tradition and culture. The sole vision of the forum is to connect the divine through rythms and ragas. The forum has organised and performed various activities throughout the year.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The learning level of students are measured through their academic performance in Internal Test and Semester end result. Based on the overall outcome of the students, college identified the students are slow, average and advanced learners. To attain the PO and CO, respective faculty members conducted Remedial Classes and adopted mentorship mechanism. This

has given utmost scope for keeping academic track record of students. Good number of slow learners, improved their academic performance in semester end result. Ultimately, every faculty members dedicated themselves to strive their best to nurture every student and ensuring them to progress in their academic efficiency.

20.Distance education/online education:

College yet to introduce and educate students about SWAYAM, MOOC and MOODLE platform so as to enable them to register online course.

Part B

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college follows the syllabus prescribed by Karnatak University, Dharwad. During the academic year, our University has

introduced NEP pattern of course curriculum, first of its kind in an entire country. College has invited academicians to explore on NEP pattern of course curriculum to the staff and students and to cope up the NEP pattern of course curriculum, college has procured necessary learning resources at the central library and accordingly deputed faculty members for orientation and workshop on NEP organized by neighbouring Institutions and University. Though based on the curriculum of NEP, college had to face the difficulty of getting text book as per NEP. However, almost all the faculty members have prepared their tailor made learning resources based on NEP and provided to the students. Some of the core subject teachers have initiated course enrichment activities based on NEP i.e., conduct of inhouse seminar, assignment to students, extra experiment in science laboratory, etc. Individual teachers prepare detailed plan of teaching for each semester based on the calendar of event of the institution. Term plan and lecture plan are recorded in the teacher's dairy which is verified by the H.O.D. and the Principal periodically. Additionally departments have internal system for workload allocation, moderation of internal assessment and reviewing student's performance.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

College prepares its calendar of events keeping in view of university calendar of event. During the year, due to pandemic circumstances and Institution had to follow the SOP framed by the Department, college has boosted the faculty members by conducting orientation on effective use of ICT for delivering online classes with the help of available free softwares i.e., ZOOM, TeachMint, etc. Every faculty members encouraged students to be confident and motivated them to be safe and healthy. College has given necessary provisions to the faculty members for delivering virtual mode of teaching. Students who found difficult in getting connected to online classes due to low frequency of internet connectivity, soon after the commencement of offline classes, every faculty members conducted revision classes. Tailored made study materials are prepared by respective faculty members and guided final year students by solving previous question papers, provided additional

study materials. This has helped VI semester students at large to appear confidently in semester end examination. Students who are finding difficulty in some of the subjects, college conducted extra and remedial classes, provided additional study materials. The various activities like internal tests, Assignments, micro projects, in-house seminars, group discussions are the regular activities of the Institution.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Students are enrolled based on first cum first serve basis whosoever fulfills the minimum criteria at the qualifying examination is given admission. Students who seek particular subject combination, Admission Committee counsel students accordingly and collect the information from students about their future plans, special talents, achievements in sports and cultural events, performance in overall result, etc and also learning levels of the students are identified by their academic excellence in qualifying examinations, achievements in cocurricular and extra curricular activities at the time of entry level. This has given scope to the Institution to identify the learning levels of the students and conduct induction programme for slow learners and also conducts crash course on communication skills so as to cope up the existing course curriculum. Programmes for advance learners. Advance learners are encouraged to take part in University and College level academic competitions like Quizzes, Essay Writing and Seminars. Apart from books provided by the college library, the advance learners are also provided with reference books from department and respective subject teachers. During the year, since the situation is beyond control due to pandemic, every faculty actively involved in preparation of lectures and notes and delivered their lectures through online processes and motivated every students irrespective of their learning level and encouraged them to be enthusiastic and must strictly adhere to the SOP issued by the Govt.of Karnataka for their safety and also family members.

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

College has made necessary provisions for the effective delivery of course curriculum. Provided necessary infrastructural facilities and learning resources based on feedback analysis. Experimental learning : College has well configured computer laboratory and installed with necessary software based on course curriculum. To gain the minimum level English communication skills, established a language lab with 05 desktops and added good number of chemicals, equipments at science laboratories i.e., Chemistry, Botany and Zoology. Students are given optimum scope to experiment in science laboratory on the basis of 1:1. Our esteemed institution has well maintained laboratories and equipments to facilitate all the requirement of students in the practical hours. Participative learning : Students are encouraged to take part in various inter college and university level seminars, Essay writing competitions and quizzes students are also taken to field visits, industrial visits, and study trips periodically. Students are also given scope for inhouse seminar so as to avoid stage phobia. Problem solving Techniques : The Department of Science guide students in solving the experiments and encourage them to practice sufficiently in the laboratory and accordingly, the Department of Commerce provides Case Study so as to enable students to develop critical reading. Arts students are given assignment based on course curriculum and during the field visit / study tour, they have to write the observations that they have made during this academic trip.

2.3.2 - Teachers use ICT enabled tools for effective teaching-learning process. Write description in

maximum of 200 words

The current year, being a pandemic situation, every individual is confined to stay at home till the situation comes to normal. However, by the direction of the Department of Collegiate Education, Govt.of Karnataka, Institution had to strictly adhered to the norms of SOP issued by competent authority. In view of this, to help the students at large to understand the existing the course curriculum, counseled through mobile communication, to access the learning resources and lectures through virtual mode. College has trained available faculty members on the effective use of ICT and the process of recording the lecture series using App meant for the purpose and guided them to prepare study materials and upload on Institutional website. Facilitated high bandwidth of internet connectivity, provided high bandwidth computer along with digital camera. Some of the faculty members engaged their classes using laptop at home and well communicated to students about the course curriculum. During the year, only VI semester examination was conducted by the University, guided and motivated all the final year students to refer the tailored study materials and provided additional tutorial and clarifications through virtual mode. This process has helped all the outgoing students to prepare themselves confidently for the semester end examination conducted by University. The overall pass percentage of outgoing student is evidential in getting good track record of semester end result. College also has upgraded 04 class rooms with ICT enabled so that faculty members could deliver the lecture using ICT effectively.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

The college has adopted a mechanism for Continuous Internal Evaluation (CIE) of students. To keep track of the student's active involvement in curricular, cocurricular and extra curricular activities, regularly monitored their punctuality and regularity in the theory and practical classes through their attendance register. Students are well informed about the University guidelines about maintenance of minimum 75% of attendance is mandatory for become eligible to fill the examination form. Similarly, students who actively involved in extension activities through NSS, they must keep their attendance of extension activities and the same is to be submitted to the Principal. This will enable the Institution to conduct extra classes for such students so as to cope up the existing course curriculum. Institution has Examination committee, which adheres to the calendar of event and conducts internal tests and keeps the track record of statement of marks scored in internal tests. Students academic performance is measured through internal tests and semester end examinations. Soon after the internal tests, every faculty members do circulate the evaluated papers to students so as to enable them to understand their learning level. Any discrepancies in allocating marks or factual errors, they are rectified based on reliability. The role of examination committee is to prepare internal examination time table, allotment of the invigilation duties, seating arrangements and schedule of the subjects.

File Description	Documents

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The Examination committee is entrusted for smooth running internal tests and semester end examinations. Soon after the declaration of university semester end result, students are well informed about the duration for applying revaluation and also intimated them to meet the concerned faculty members for getting clarifications to go for revaluation / challenge evaluation / photo copy, etc. The concerned faculty members whomsoever guided and applied for revaluation, have got their improvised result by the University during the year. During the year, 12 students of Arts, Science and Commerce have taken guidance and applied for evaluation. Most of them got better result compared after applying revaluation. Similarly, prior to uploading final internal marks at the university portal, tabulated statement of internal marks is put up on the notice board and notified to students that, if they find any factual errors, they have to meet respective faculty members for final corrections. During the year, no such students came forward in any grievances of final internal marks.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

College is affiliated to Karnatak University. The outcome of of any programme and courses purely depends on the POs and Cos which can highlight the career prospects of students who are going to choose particular subjects combinations and programme. The PO and CO which are running in our institution is made known to different stakeholders through college website, college notice board, etc. At the orientation programme at the beginning of the academic year, the students are briefed about the POs. Scope of PO are highlighted herebelow; Bachelor of Arts : After graduation students have the following scope for higher education i.e., PG courses i.e., M.A., MSW, PG Diploma course, B.Ed., LL.B., MBA, etc. Scope for Competitive Examinations i.e., KPSC, UPSC and any other competent agencies. Bachelor of Commerce: Students can continue

for M.Com., M.Com.(CS), MBA, MBA(IT), MSW, LL.B,. CS, ICWA, PGDBM, PGDCA, B.Ed., etc,. The programmes gives scope for entrepreneurship and also students can get employed through different competitions like; Banking, Insurance, KPSC, UPSC, etc., and also B.Com. graduates get employability in different sectors i.e., private, public, government, non government sectors. Bachelor of Science: College has subject combination i.e., Botany, Chemistry and Zoology. Given utmost scope to students in gaining knowledge and skills. Most of the students who pursue B.Sc. continued for B.Ed. for becoming competent enough for High Schools and higher level of teaching.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

To attain the PO and CO, due to the pandemic circumstances, majority of the classes were engaged through virtual mode. Every faculty members very meticulously prepared the study materials and launched recorded lectures on Institutional website, posted learning resources through WhatsApp group, students were motivated to be enthusiastic and creative being at home and inspired them to spend atleast 1 hour of study every day so as to keep the pace of learning level. College has procured necessary learning resources at the Central Library. Every faculty members prepared tailored study materials and posted through whatsapp to all VI semester students and similarly, soon after getting clearance of SOP, every faculty members engaged extra classes through offline mode and solved previous years question papers so as to prepare VI semester students to prepare confidently in semester end examination. The IQAC has analysed the semester end result of outgoing students, which highlights the outcome as passing percentage of BA with 40%, B.Com. with 93.4% and B.Sc. with 100% and accordingly the track record of the outgoing students indicated that more than 45% of students continued for higher education. Some of the BA and B.Sc. students have continued for B.Ed. programme. More than 30% of students got placed at different sectors

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

The college Management, Principal and staff of the college work in co- ordination with each other for successfully implementing skill oriented education for rural students. The institute provides the clearly mention towards achieving the vision and mission of the institute for excellence in academic and administrative processes. Our esteemed Management regularly visits the Institution and have interaction with the staff and gets the feedback for the overall prospects of the Institutional Vision and Mission and accordingly Management do provided necessary financial and managerial provisions from time to time. The role of the college Management is to review the progress of the institute and guide the Principal to take the institute in right direction as per the vision. Each department formulates departmental Vision and Mission by involving departmental staff from inputs received from students. The Institution, inspired by its vision of integrated development of rural students and society clearly mention its perspective plan and effectively implements it. Management gives scope to every faculty members for their professional development and provide OOD facilities. In the case of FIP for pursuing Ph.D. and M.Phil., Management empowers the Principal to hire adhoc arrangement of

qualified faculty and pay the consolidated salary to them from the Management.
