Programme Outcomes for Add-On Course: Self-Help Group (SHG) and Rural Development

- 1. Understanding the Concept of SHGs**
 - Gain comprehensive knowledge about the formation, functioning, and objectives of Self-Help Groups in rural settings.
- 2. Empowerment of Rural Communities**
 - Learn how SHGs contribute to the economic, social, and political empowerment of rural communities, especially women.
- 3. Financial Literacy and Management**
 - Develop skills in financial planning, bookkeeping, and resource management essential for SHG operations.
- 4. Microfinance and Credit Accessibility**
 - Understand the role of SHGs in facilitating access to microfinance and how it aids in reducing poverty in rural areas.
- 5. Entrepreneurial Development**
 - Learn techniques for starting and managing micro-enterprises, focusing on rural livelihoods and small-scale industries.
- 6. Leadership and Decision-Making Skills**
 - Foster leadership qualities and decision-making abilities among SHG members for better governance and group sustainability.
- 7. Social Inclusion and Equity**
 - Promote awareness of gender equality, social justice, and the inclusion of marginalized communities through SHGs.
- 8. Linkages with Government and NGOs**
 - Understand how SHGs collaborate with government schemes, NGOs, and financial institutions to maximize developmental benefits.

9. Capacity Building and Skill Development

- Equip learners with essential skills such as tailoring, handicrafts, food processing, and other rural employment opportunities.

10. Rural Infrastructure and Development

- Gain insights into the role of SHGs in improving rural infrastructure like education, healthcare, and sanitation.

11. Sustainable Livelihood Practices

- Learn sustainable farming, agro-based practices, and other environment-friendly techniques to enhance rural development.

12. Community Mobilization

- Understand strategies for mobilizing communities to address collective challenges like illiteracy, health, and unemployment.

13. Monitoring and Evaluation

- Develop the ability to assess the performance and impact of SHGs on rural development through participatory methods.

14. Promotion of Self-Reliance

- Encourage rural communities to build self-reliance through skill enhancement, collective action, and mutual support.

15. Policy Advocacy and Awareness

- Understand the importance of SHGs in advocating for rural development policies and rights at the local and national levels.
