SADBHAVANA DIWAS- 2019

Sadbhavana Diwas is celebrated to commemorate the birth anniversary of former Prime Minister Rajiv Gandhi on 20th August 2019. Being the youngest Prime Minister, Rajiv Gandhi's thought process was modern and different from others. This day is observed as 'Sadbhavana Diwas' or 'Harmony Day' with an objective to encourage national integration, peace, affection, and communal harmony among the Indian people of all religions and languages. It promotes the unity in diversity and feeling of oneness amongst people to a great level.

Student Coordinator welcomed the audience and recited the pledge and made all the students to recite the pledge both in English and Kannada.

FIELD VISIT - 2019

The Final Year B.Sc. (CBZ) degree students of 2019-20 batch of SSES Mahasatee Arts, Commerce and Science College went on a study tour to Vermicomposting Centre, Hosali Village, Mudgeri, Karwar on 15.09.2019.

The director of the centre explained the students that process of vermicomposting starts with the construction of a vermibed. The beds can be constructed of different sizes depending on the space available. If there is no shade, sheds have to be constructed above the vermi beds. Otherwise vermibed can be constructed under the shade of big trees like Neem. To construct a bed compost fertilizer must be used. Care should be taken to avoid plastic and glasses pieces in the compost which is used for vermibed. The bed should be sprinkled with water so that it is kept moist. If it is summer season more water must be sprinkled. Then selected earthworm species must be released on to the bed. The earthworms feed on the organic waste present in the bed. The excreta of earth worms are ejected through the anus in the form of faecal pellets or worm castings which look like sand crystals. In about 6 weeks some worm castings are seen on the surface of vermibed. In 3 to 4 months the bed is filled with rich black fertilizer.

INTERNATIONAL MOTHER LANGUAGE DAY

“A different language is a different vision of life.”

How perfectly quoted that is! It is through a different language that we get a different view and learn new things as it opens to us the doors to other cultures and traditions. Language helps us express our feelings and thoughts, helps preserve cultures, and it also allows us to learn about others and spread ideas quickly.

On 21st February we celebrated "Mathru Bhasha Diwas" to develop the spirit of their own mother tongue among the students.
