**INTERNATIONAL MOTHER LANGUAGE DAY**

**“A different language is a different vision of life.”**

How perfectly quoted that is! It is through a different language that we get a different view and learn new things as it opens to us the doors to other cultures and traditions. Language helps us express our feelings and thoughts, helps preserve cultures, and it also allows us to learn about others and spread ideas quickly.

On 21st February we celebrated "Mathru Bhasha Diwas" to develop the spirit of their own mother tongue among the students.
