Sl. No	Month & Year	Total Periods	PORTION TO BE COVERED	Remarks
1.	OCT 2023	07	Module 1 Assignment: introducing oneself and writing about your interest in the paper and why you prefer this to other papers? Also specify your activity on the new social media and print media before taking up this course and specify the field you prefer within this like sports, entertainment etc.. Readings: Deliverable: You will by this know where you stand ideologically, what your moorings are, what drives you in studying this and how you make your preferences.	8Hours
2.	NOV	07	Module 2 Writing and sharing: Media and Politics work at the edge of the society. They have direct access to the people. While politics takes decisions in the interest of the society after collectively assessing its need the media makes an assessment of its impact and spreads the truth about such decisions. Be it war or market functioning these democratic institutions at times works on cross purposes - thus affecting the lives of the ordinary public life. As media professionals with full knowledge of politics and its processes you need to have a purpose in reporting. How do you do that? What goals have you set in? Whom do you serve? What are your biases and assumptions? Are they dynamic? Such questions need your answers Readings:Deliverable: While working on this please link the contents of one of the social media in a strict word count of 150 words identifying the reasons for that posting,whether it was an opinion or a subjective statement, if it is useful to the lead article you plan to post, what has been the readers point of view of that (as you think) and why do you think they respond in such fashion?	8Hours
3.	DEC	08	Module 3 Finding linkages: Political coverage encompasses the five major institutions including the executive, the legislature, the judiciary, political parties and the press (public opinion). It is these institutions that affect the welfare of the society. Thus the triangle of this include, The Individual - The Society (collectively) - The State. Varied shades of ideology rules these institutions and laws made by them or adjudicated will impact the society. Here we look at the actions of these institutions and assess their impact on the triangle in more a two way process. Reporting here thus brings out the truth about the linkages and their functional efficiency for the betterment of the society. Readings: Deliverable: This shapes up one's writing bringing out his/her style, treatment of the content, vision and expectations. Here it is expected of the candidate to understand the policy out comes and the judicial decisions and link them with the opinions of the experts in the field through various media and find a method to quote or paraphrase them for the benefit of his writings to make it more impact full.	7 Hours
