WORLD FOOD DAY - 2022

World Food Day is an international day celebrated every year around the world on 16 October in honor of the date of the founding of the Food and Agriculture Organization of the United Nations in 1945. The students of SSES's Mahasatee Arts, Commerce and Science college students virtually celebrated World Food Day in their own creative manner.

The students were motivated not to waste food as wasted food means wastage of money and efforts which is never good for anyone. It is important to eat a variety of fresh fruits and vegetables that are loaded with significant nutritional value and health benefits.
