On December 12, 2023, Shri Shivaji Education Society's Mahasatee Arts, Commerce & Science College, Dept. of Commerce organized a **Crime Awareness Program** in collaboration with the Karnataka Police Department, Kadra. The program was designed to raise awareness among students about the various types of crimes, preventive measures, and their role in maintaining law and order in society.

The event began with an introductory address by the Principal, Dr. Vinod Nayak, who emphasized the importance of educating young minds about the significance of crime prevention and the role of responsible citizens in fostering a safe and secure environment.

The resource persons from Kadra Police Station, including senior officers and constables, were invited to conduct the program. The police personnel shared valuable information on various aspects of crime, such as cybercrime, substance abuse, traffic safety, and women's safety. They highlighted common safety protocols and provided practical tips on how students can protect themselves and their communities from falling victim to crime.

The session also included a detailed discussion on the legal rights of individuals and the importance of cooperation with law enforcement authorities. Students were encouraged to report suspicious activities and misuse of social media platforms and to stay vigilant about potential threats.

The officers also conducted an interactive Q&A session, where students actively participated, asking questions related to crime prevention and safety measures. The session helped in clearing misconceptions and equipped students with the knowledge to identify and address potential dangers.

In his concluding remarks, Dr. Nayak thanked the police department for their support in organizing such an important awareness program. He urged the students to stay alert, be responsible citizens, and contribute towards creating a crime-free society.

On 18 July, 2022, Shri Shivaji Education Society's Mahasatee Arts, Commerce & Science College Dept. of Commerce has celebrated World Food Day with a unique and educational event – a Fireless Cooking Competition. The event highlighted the importance of nutritious food, food security, and sustainable eating practices, encouraging students to be mindful of their food choices.

Participants prepared a wide array of dishes without using fire, showcasing their creativity with healthy, no-cook recipes. The dishes included fresh salads, wraps, smoothies, and innovative snacks, each focusing on balanced nutrition and local, fresh ingredients. Students displayed impressive skill and imagination, creating dishes that were as visually appealing as they were nutritious.

Principal Dr. Vinod Nayak and faculty members were present to encourage the participants. They commended the students for their enthusiasm, creativity, and commitment to healthy eating. The event concluded with a prize ceremony, where the best dishes were recognized for their creativity, nutritional value, and presentation.

This fireless cooking competition not only celebrated World Food Day but also promoted sustainable eating habits among students, inspiring them to make healthier food choices in their daily lives.

The Department of Commerce of Shri Shivaji Education Society's Mahasatee Arts, Commerce & Science College organized a Self-Defence Programme on 24th August 2019 at 9:30 a.m. in the college premises. The event aimed at empowering young girls by equipping them with basic self-defence skills to face any challenging situation confidently.

The resource person for the event was **Shri Sunil Aigal**, a Master of Karate Class from Karwar, who is highly regarded for his expertise in martial arts and self-defence training. The programme began with a warm welcome and an introductory speech by the department head, emphasizing the importance of self-defence for women in today's society.

The session included a **demonstrative class** where Shri Aigal showcased various techniques that are easy to learn and highly effective for immediate response to threats. Participants were actively engaged in practicing these moves under his guidance. He also shared practical tips on using everyday objects for self-defence and handling potentially dangerous situations calmly and effectively.
