

5.1.4: The Institution has a transparent mechanism for timely redressal of student grievances including sexual harassment and ragging cases

1. Implementation of guidelines of statutory/regulatory bodies
2. Organisation wide awareness and undertakings on policies with zero tolerance
3. Mechanisms for submission of online/offline students' grievances
4. Timely redressal of the grievances through appropriate committees

The institution is having grievances redressal mechanism from the beginning. All statutory guidelines are circulated and informed to the students regarding the anti-ragging activities, drug abuse activities etc. Frequently we organise college level special lectures on these matters by the experts chosen from the various fields like police officers, legal luminaries etc. through Sign boards, notice boards etc. creating wide awareness among the students about this subject. Suggestion Box is kept and maintained which is essential to collect the grievances from students. Online mechanism for this purpose is yet to be implemented.

College is having disciplinary committee headed by the principal and associated with senior faculties to address the timely redressal of the students grievances.
