1. Introduction:

Gender is a socially constructed definition of women and men. It is not the same as sex (biological characteristics of women and men) and it is not the same as women. Gender is determined by the conception of tasks, functions and roles attributed to women and men in society and in public and private life.

In gender Audit it is a necessary to find out whether internal practices and policies of the system are working for gender mainstreaming and effective for Gender Equality

- To monitor and access the progress of reducing gender discrimination in the institution
- Identifying critical gaps and challenges about Gender Equality and establishing a baseline for Gender Equality
- Suggesting new strategies and policies for Gender balance

In the globalize world all the citizens are active in different fields of the society. It has given opportunity to participate in different activities to all genders. Not only male, female but also transgender are also involving in the activities of society. Now we are taking steps towards improving the working policies and legal policies for participating all genders in all activities of the world. All depravities persons must get the chance for improving their life and can face the challenges of the society and become confident, self-reliable, independent and empowered.

Objectives of Gender Audit:

- To find out the areas where gender imbalance exists and the factors behind the gender imbalance.

- To establish good gender balance in decision-making processes in all areas of the college activities.

- To suggest measures for bridging the gender gap. • To Foster gender equality in all aspects of college community.

- To see the work and capacity for prevention of sexual harassment at the college

Salient Findings:

- ❖ Enrolment of boys are more than that of girls in most of the classes t.
- ❖ Success rate of boy students is higher than that of girls.
- ❖ The participation of girls in cultural activities is higher than boys.
- ❖ In sports the participation of boys is more than that of girls.
- ❖ In teaching staff the strength of females are more than male.

5. Suggestions:

- ✚ Define and deepen the understanding of gendered quality concepts such as gender equity.
- ✚ Empowerment of women, men and masculinities.
- ✚ To organize more Sports program on a regular basis.
- ✚ More awareness program on legal rights.
- ✚ To introduce employability skills in commerce as well as in social science.
- ✚ To organize competitive training programme for both discipline.

6. Conclusion:

The study found that gender equity goals and objectives included in all the policies, programme of the college and staff also reported that they have solved related to gender criterion. Gender audit team analyze that the gender equality and gender sensitivity is encouraged by management, staff of the college and they do have sensitive behavior. The college is situated in rural area, people have higher respect for women and naturally women harassment cases almost

nil in this area and in the college campus. Doubtless, girls enrollments in all sections slightly increasing and there is no gender issue complaint. As we observed in the study with strong will power and commitment to gender justice, the college would certainly make A remarkable mark in the region.
