## **2. The exclusive Sports Infrastructure Facility:**

The Department of Physical Education and Sports has existed since the inception of the college. Keeping in line with the departments Vision and Mission the students overall development is done by attending to their mental, social, emotional, spiritual, and intellectual requirements through physical education, yoga, and sports. The college has a long history of sporting success and has produced a considerable number of University and national athletes.

The achievements of the department has been due to the facilities provided to the students, which include a field that is 70 metres by 60 metres in size and can be used for 7-a-side football, handball, netball, volleyball, and throwball. The pupils are provided with the necessary equipment's, regular coaching and training for the sportspersons. The college also includes a modest gym that offers a free weight area, aerobics classes, and sports conditioning. Interclass tournaments and open meets are often held at the college for the benefit of the students. In addition, it arranges intercollegiate competitions, district-level sporting events, and workshops for professionals, pupils, and the general public. Cricket, Basketball, Volleyball, Badminton, Table Tennis, Chess, Kabaddi, Softball, Baseball, and Athletics are just a few of the inter-college and inter-varsity sports that the college organizes and participates in for the students in addition to its normal activities. The Department is committed to developing young, talented athletes in the coming years.
